Volume 20, Issue 01

Dear Friends,

Thank you so much for your continued prayers and support. God has given us a fruitful ministry as we try to be obedient to "Go into all the world." As God opens doors and leads, we strive to be sensitive and obedient to His will. Last year, He allowed us to hold 339 services and see 1,913 precious souls cry out for salvation. Just since the first of 2010, we have seen over 100 people invite Jesus into their hearts. Praise God!

Since we started keeping records in 1987, God has allowed us to hold over 6,680 services and see over 45,600 people ask Jesus to save them. Of course, we don't count the children, who pray, although some have been saved at an early age. We certainly do not forbid them to come to Jesus.

## Tuesday Men's Bible Study

The numbers of professions, result from our multi-faceted outreach. The Miracle Baptist Church, the Inner-City Outreach Center and the Promised Land Camp are our main avenues of outreach, but they are not our most productive. The large harvest occurs when we go out into the Highways and By-ways and compel them to come in. The Street Ministry is by far our most fruitful avenue of outreach. Our teams go out at least once a week to different areas of our city, proclaiming the Good News of Jesus. In addition, we make trips to other towns and cities, when the opportunity arises. We are in the preliminary stages of planning a Crusade for the St. Louis / East St. Louis area in July or August. I will report more on this in the near future.

The Miracle Baptist Church is growing slowly and is excited

about an upcoming revival meeting. Everyone is praying for a "God Loving, Sin Hating, Devil Chasing, Christ Exalting Revival.." God can do it!

We are excited about two retreats, a conference and two camps already planned for the Promised Land Camp, this year. In addition, I am praying about dates for a Gangster Disciple Retreat. First Baptist Church of Branch, Arkansas has helped us on two of our building projects and are willing to help on others. Our prayer focus now is to get a cabin for pastors and church staff built, so they can get away, free of charge, and get "fresh oil." Pray with us, that God will provide the building materials for the cabin.

The Inner-City Outreach Center has been having good crowds and we are seeing folks come to Jesus regularly. The Bible

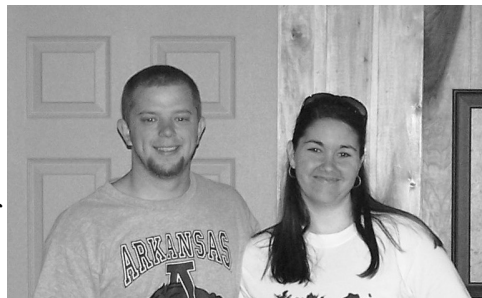

## Brother Ronnie Tullos

Studies are growing and our volunteer teachers are a great blessing. We are having some problems with our basketball floor and are in the middle of repairing some recent damage. Pray for us as we do this work ourselves. It was just too expensive to contract out. I think we can do the work and it be a permanent solution to an ongoing problem. Still the materials are going to be around \$700. Praise God.

I would like to ask you again, to pray for us concerning our

support. I know God “owns the cattle on a thousand hills,” and we are looking for Him to sell one or two. Join with us as we pray for God to meet our needs. Just so you will know the urgency of prayer: In January, we spent \$17,252.37 and our total donations were \$9,395.71. It doesn’t take a Mathematician to know that is not sustainable. Our hearts are not discouraged. We have been here before and as we pray, God touches hearts. Pray with us that He will do it again.

Finally, I would like to ask you to pray for our staff and their families. The enemy has been attacking severely. From Brother Ronnie Johnson’s son being shot to my daughters health, we have had plenty of opportunities to trust God. Personally, I have had serious health problems for several months. My lungs and sinuses

have been messed up. I am undergoing strong antibiotic therapy, in an attempt to stop an infection that has had my lymph nodes swelled up for several months. In the midst of it all, we are praising God for His great love, wherewith He has loved us. Rejoice with us as we “Love the Heart of Memphis.” Thank you again.

Sincerely,
